

Supply List - Ron Gordon
Acrylic Workshop for Houston Art Society
09-23-19

This is an interactive workshop designed to bring out the creativity in all of us. We will be working at tables in the Gym in the Family Center of the Memorial Church of Christ Church. Ron will demonstrate techniques and guide us through the fun process.

ALL MATERIALS WILL BE PROVIDED. Tools and materials, brushes, water buckets, primed tag board, paint, scissors, pallets etc. will be on hand. This simplifies all processes for you and the presenter.

YOU WILL ONLY NEED TO WEAR PAINT CLOTHS... and bring an open mind.

If you choose to bring your own materials, please keep it simple. This is a guided workshop with strategic goals for maximum individual discovery and development. Only specified items will be used. **Styrofoam plates will be provided as pallets as there will be several mixing exercises and sequences.**
